

PROGRAMME AT A GLANCE

Thursday, July 5	Great hall (floor P)	Small hall left (floor S1)	Small hall right (floor S1)	Hall SP1 (floor SP)
10.00–17.00	Registration			
9.00–15.00				IFAA Board meeting
18.00	Opening ceremony (Aula Magna Karolini, Ovocný trh 5, Prague 1)			
Friday, July 6	Great hall (floor P)	Small hall left (floor S1)	Small hall right (floor S1)	Hall SP1 (floor SP)
8.30	Opening ceremony			
8.45–10.30	Opening lectures			
10.30–11.00	Coffee break			
10.40–11.00	E-poster session 1			
11.00–12.45	Mini-symposium 1 – Clinical anatomy	Free presentations 1 – Neuroscience 1	Free presentations 2 – Molecular and cell biology 1	EFEM Council meeting
12.45–13.00	Sponsored presentation (Elsevier)			
13.00–14.00	Lunch			EFEM Board business lunch
13.40–14.00	E-poster session 2			
14.00–16.00	Mini-symposium 2 – Terminology (Federative International Programme on Anatomical Terminology)	Free presentations 3 – Neuroscience 2	Free presentations 4 – Developmental biology, Embryology and Anthropology	
15.00				Meet and Greet: The EFEM Team
16.00–16.20	E-poster session 3			

Saturday, July 7	Great hall (floor P)	Small hall left (floor S1)	Small hall right (floor S1)	Hall SP1 (floor SP)	Hall SP2 (floor SP)
8.30–10.30	Mini-symposium 3 – Experimental morphology (European Federation for Experimental Morphology)	Free presentations 5 - Anatomy	Free presentations 6 - Molecular and cell biology 2		Mini-symposium 4 – Spinal cord injury: Practice in regenerative medicine and transplantational research (Chinese Society of Anatomical Sciences)
9.30				ISCAA Board Meeting	
10.30–11.00	Coffee break				
10.40–11.00	E-poster session 4				
11.00–13.00	Mini-symposium 5 – Visualization of the cellular mechanism by modern microscopy (Japanese Delegates of ISMS)	Free presentations 7 – Surgical and Clinical Anatomy	Free presentations 8 – Education and History		Mini-symposium 6 – Interaction between tumor and microenvironment (Chinese Society of Anatomical Sciences)
11.00				ICSMS Meeting	
13.00–14.00	Lunch				
13.40–14.00	E-poster session 5				
14.00–16.00	Mini-symposium 7 – Functional neural circuits related to disorders of the central nervous system (Chinese Society of Anatomical Sciences)	Free presentations 9 – Histology	Free presentations 10 – Imaging		
16.10	Closing Ceremony				
18.30	Social dinner (St. James Minorite Monastery, Malá Štupartská 635/6, Prague 1)
